LOCATION AND CONNECTIVITY

The property is accessed off the northbound carriageway of the A38 Bristol Road from the south west, with the subsequent approach to the property consisting of an extensive circa. 170 metre (565 ft) driveway that crosses the 4th fairway of Edgbaston Golf Course, further adding to the unique and exclusive nature of the opportunity.

In terms of transport connectivity, the property is situated 2.7 km (1.7 miles) from University railway station to the southwest.
