The South West's first Net Zero Carbon out of town office HQ

Exterior of 1000 Aztec West

The comprehensive refurbishment of 1000 Aztec West has created a one of a kind net zero carbon 73,000 – 80,000 sq ft headquarters office building.

A building that puts staff **wellness and sustainability** at its core.

1000 Aztec West is the **first of its kind.**

Located on Bristol's premier business park, 1000 Aztec West benefits from a range of amenities including a 4 star hotel, restaurant, cafe, park security, extensive landscaping and park management.

Hilton

Morrisons

AZTEC
HOTEL & SPA

The unique combination of city centre quality design and wellness programmes creates a new benchmark for out of town offices.

1000 Aztec West is focused on creating a working environment that breaks down the barriers of the traditional '9 to 5', challenging tenants to embrace every day as an opportunity to work and think differently.

An office with a difference

1000 Aztec West allows your staff to take advantage of the lush environment any time of day. Open-air terraces are the ideal spot for a morning catchup or after-lunch breakout session.

Situated on the edge of the picturesque Aztec Lake, tenants are greeted by landscaped parkland as soon as they step outside. Beautifully manicured gardens encourage employees to take a quick jog or meandering stroll on their lunch break.

Reduce your carbon footprint

1000 Aztec West leads the way by minimising carbon emissions during construction and its ongoing operation. By using the existing infrastructure of the frame and shell to create a new best in class building. The combination of this embodied carbon saving alongside its net zero in operation performance makes 1000 Aztec West a game changer for out of town office HQs.
