Gainsborough is moving into a period of substantial growth in population, jobs and housing.

JOBS

10,000

New jobs being created

Gainsborough is set to benefit from its proximity to the multibillion-pound STEP fusion site, creating a pipeline of long-term, highly skilled jobs. With growth in sectors like agritech, defence, and security along the A15 corridor, the region is poised to become a global hub for technological and scientific innovation. Gainsborough is already home to global brands like Ping and Einox.

HOUSING

2,177

New homes by 2040

Gainsborough's population is projected to grow from 21,000 to 30,000. Two Sustainable Urban Extension schemes are already in progress, both within a 20-minute walk of the town centre. Additional residential developments are also underway in the town centre and along the nearby riverfront.

INVESTMENT

£18M

Invested in the Town Centre

Gainsborough has benefited from significant public and private investment, including the award-winning Marshalls Yard retail park and a 54-room town centre hotel. The latest £18m investment delivers the new Savoy Cinema, retail units, public green spaces along the riverside and an upgraded transport hub.

Property

Forming part of the transformational 4-screen Savoy Cinema development in the heart of Gainsborough, strategically placed connecting the new multi-screen cinema and the redeveloped Market Place to Marshall's Yard retail park.

Unit A

Unit A comprises a fitted out food & beverage or retail unit across two floors. Ideally located fronting the new pedestrian linkage to the 4-screen cinema. The unit will be fitted out to an excellent standard with 3 phase electrics, wood vinyl effect flooring, painted plastered walls, strip LED lighting, WCs and staff accommodation.

Unit B

Unit B comprises a fitted out food & beverage or retail unit across three floors. This unit benefits from a prime location within the scheme due to the Market Place frontage. The unit will be fitted out to an excellent standard with wood vinyl effect flooring, painted plastered walls, strip LED lighting, WCs and staff accommodation.

Both Unit A & B benefit from a rear service yard.

Unit C

Unit C comprises a 3 floor food & beverage or leisure unit capable of accommodating 100+ covers. The unit benefits from a prime wide Market Place frontage. The Landlord, West Lindsey District Council, will consider suitable incentive packages relative to the cost of fitting out the unit.

Energy Performance Certificate

To be assessed.

Services

We understand that mains water, electricity and drainage supplies are available and connected to the units. These have not been tested and are not warranted to be in working order. Interested parties are advised to make their own investigations to the relevant utility service providers.
