Description

Unit 13 comprises a mid terrace industrial / warehouse premises constructed in the late 1970s/early 1980s. The building is built using a steel portal frame with brick elevations and profiled metal sheet eaves above the first floor windows under a newly installed 120mm Trisomet insulated profile sheet roof.

The unit is accessed via a 3.87m wide by 4.29m concertina loading door or via the personnel entrance. The warehouse space is column free, with a two storey office/ ancillary block providing open plan 1st floor office space and single ground floor meeting room/private office. In addition is a store mezzanine attached to the office block.

The demised forecourt area in front of the unit, which is approximately 25m x 18m, is laid to concrete.

Code of Leasing Business Premises

In England and Wales the Code for Leasing Business Premises, 1st edition, strongly recommends that any party entering into a business tenancy or lease agreement takes professional advice from a surveyor or solicitor. A copy of the Code (1st edition, February 2020) can be found on the RICS website.

Location

The property is located on Bottings Industrial Estate, immediately north-east of the attractive and affluent Hampshire village of Botley.

The area surrounding the property would be described as semi-rural with access to the M27 c.2.9 miles to the west via the A334 Station Hill and Hedge End. The property sits towards the front of the estate and is directly accessed from Hillsons Road.

Botley train station is immediately adjacent the estate.

Viewing

Strictly by appointment with the sole agents Hellier Langston.
