## THE SCHEME

Total Park, Walsall is a brand new speculatively built industrial/ logistics development. The site will consist of 3 high quality, speculatively built units of 75,256, 97,311 and 249,787 sq ft.

Located 1.5 miles from J10 of the M6, it is easily accessible to the national motorway network offering a prime central location for your business.

## SUSTAINABILITY

The scheme has adopted the Be Lean, Be Clean, Be Green energy hierarchy whereby the following measures are to be implemented;

### BE LEAN

- High performance building fabric envelope via enhanced U-values to reduce heating demand
- High performance windows via solar controlled glazing to reduce cooling demand
- Low building air permeability to reduce heating demand
- Warehouse roof lights to ensure adequate daylight

### BE CLEAN

- High efficiency heating and cooling system via VRF air conditioning
- Motion censored high efficiency LED lighting and lighting controls to the offices
- Heat recovery ventilation

### BE GREEN

- Provision for photovoltaic solar panels
