Property

The property is a retail shop arranged over two storeys with frontage and access on to both King's Road and St Andrews Street South. Part of the property is of a traditional brick construction, with a pitch slate roof with large single glazed display windows and a recessed entrance door, with the remainder a two-storey brick building with a pitched tiled roof and glazed atrium, with a gable fronting onto St Andrews Street. At street level there is a display window and two entrance doors. Internally the ground floor provides mostly open plan retail space, sub divided by a solid wall between the two properties with a large opening. The walls are mostly covered with slatted shop fit, with plastered painted walls behind, wood effect vinyl flooring, surface mounted strip lighting and electric air conditioning / heating units. The first floor provides further sales space, workshop area, offices, staff room, WCs and further stores. The property will be of interest to owner occupiers, investors or developers.

Accommodation

Having measured the property in accordance with the prevailing RICS Code of Measuring Practice, we calculate that it provides the following floor area.

| Area | m ² | ft ² |
|------------------|----------------|-----------------|
| Ground Floor | 200.4 | 2,157 |
| First Floor | 207.1 | 2,228 |
| Total NIA | 407.5 | 4,385 |

Services

We understand that mains water, electricity and drainage supplies are available and connected to the property. These have not been tested and are not warranted to be in working order. Interested parties are advised to make their own investigations to the relevant utility service providers.

Town & Country Planning

The property has established use as retail premises and therefore should be suitable for Class E use. Interested purchasers are advised to make their own investigations with the Local Planning Authority.
