At the heart of Crawley's industrial and trade location.

Oakwood Trade Park is Crawley's premier trade and industrial park situated prominently on Gatwick Road between Manor Royal and the Gatwick Road junctions on the Manor Royal Industrial Estate. The park provides individual trade units with ample parking for customers with unrestricted working hours. The M23 (J10) is only 1 mile to the east and Gatwick airport is the same distance to the north.

ESG features.

Improved environmental benefits and lower energy expenses for a more sustainable future.

Energy Performance Certificate

Targeting EPC A
the highest energy efficiency rating for buildings.

Solar PV panels

Roof mounted solar PV panels to assist in generating electricity, reducing energy costs.

Site EV Charging

Charge electric vehicles quickly and easily with our state-of-the-art charging stations.

PV strategy

Occupiers can expect an annual saving of £2,190 based on 25p / kWh electricity unit rate (subject to all generation being used on site). This is based on the proposed 10 kWp system being installed and an annual energy generation of c.8,750 kWh.

LED lighting

Energy efficient LED lighting used throughout the building.

10% rooflight coverage

Triple-layered rooflights with insulation covering 10% of the roof area and providing optimum natural light and energy efficiency.
