PRINCESS PRINCESS

TAKEAWAY

**Fully Fitted Hot Food Takeaway Business** 

## The property occupies a prominent position within the town centre licensed trade circuit.

Dumfries, with a population of around 33,000, is the largest town in Dumfries & Galloway as is therefore southwest Scotland's main shopping and administrative centre.

The town lies approximately 75 miles south of Glasgow and 34 miles northwest of Carlisle, occupying a strategic location at the intersection of the A75, A76 and A701 trunk roads.

The A709 provides the shortest link to the A74(M) motorway at Lockerbie, although the A75 and A701 offer alternative routes dependant on the direction of travel, with junctions at Gretna and Beattock respectively.

The A75 also provides a link to the Northern Irish ferry ports at Cairnryan.

The property is set on the south side of English Street and lies around 150 yards from the pedestrianised High Street.

The unit is also adjacent to a public car park.

As a result, the business benefits from a high level of passing traffic and pedestrian footfall throughout the year.

Surrounding commercial properties include restaurants, hot food takeaways, public houses, and nightclubs, together with retail units, salons, and showrooms.

# The subjects comprise a detached hot food takeaway with private parking & loading space at the rear.

The main walls are of brick construction, with a painted roughcast / tile external finish, under a flat roof.

The property benefits from a large sales window and glazed customer entrance door, below a branded retractable awning with fascia signage above.

The internal accommodation extends to a customer waiting area & kitchen, rear preparation room, store, and a staff toilet.

The floors have vinyl / tile coverings, walls are tiled / painted, and the ceilings are lined and painted.

The unit is fully fitted with commercial grade equipment, including a stainless-steel extraction hood & splash back.

The rear parking / loading area is screened by a timber fence. There is also an enclosed courtyard which contains plant for the extraction system.
