Description

Unit 11 is a refurbished detached unit of steel portal frame construction on a site of approximately 0.67 acres (0.27 hectares). The building benefits from two loading doors at the rear and a separate personnel door at the front of the building. The eaves height is approximately 6.5 metres. The building has a site density of approximately 25% making way for good parking and loading facilities.

Rent / Price

On Application.

Terms

Available on a new full repairing and insuring lease for a term of years to be agreed incorporating regular upward only rent reviews. Subject to vacant possession. Alternatively, the client will consider selling.
