24 & 24A HIGH STREET

DESCRIPTION

Fordingbridge is an attractive town located approximately 12 miles south of Salisbury and 7 miles north of Ringwood on the A338 and has a population of approximately 6000 (2011 Census).

The town plays host to a healthy mixture of local, regional and national retailers trading alongside a range of hospitality and professional services businesses.

Fordingbridge has undergone considerable expansion with several hundred new homes recently built in close proximity to the town.

The subject premises occupy a prime trading location in the High Street close to a Co-op supermarket and Hayes Travel.

24 High Street is a characterful Grade II listed, three storey property comprising ground and first floor retail accommodation together with second floor ancillary space.

24A High Street comprises an attractive modern property (constructed in the 1980's) which has been used historically for both office and retail use. To the front of this property is parking space and secure double gates.

To the rear of 24 High Street is a large enclosed garden courtyard extending to over 3,000 sq.ft. (278 sq.m.).

This area provides a good opportunity for a variety of uses subject to the obtaining of any necessary statutory consents.

Such uses might include specialist retail, Day Nursery (subject to consents) or alfresco dining for example. There is also potential for outside seating to the front of the property subject to the granting of a Pavement Licence.

Alternatively the rear area might offer development potential, subject to consents.
