Description

Formerly one of Witney's schools, this beautifully restored Wesleyan Hall was thoroughly and tastefully modernised by the current owners in 2018. This 19th century building provides a balanced mixture of open plan space, individual glass screened offices and breakout spaces. Heating is a combination of infra-red and conventional methods plus air conditioning. Striking lighting, it's original herringbone wooden flooring and 4 metre high ceilings, which retain many original features, add to the calming ambience of the building. Recently in use by a Software Company, there is a 100MB Leased Line in place with bespoke connections to over 120 cat 7 points around the building. There is a kitchen on each floor with Smeg fridges and quality fixtures, plus illuminated mirrors, and ornate washbasins in the 3 toilet facilities.
