### Location

The property is located close to the entrance of the popular Camperdown Industrial Estate which lies to the northwest of Killingworth Town Centre and close to the A189 trunk road.

Newcastle City Centre lies approximately four miles to the southwest of Killingworth and the A19 Moor Farm junction is only two miles from the premises, which in turn provides access to the A1.

### Description

Detached industrial unit comprising 4 bays of warehouse/workshop plus single storey offices and amenity. The warehouse is steel portal frame construction with brick elevations, clad above with steel profile sheeting. The roof covering is corrugated asbestos sheets lined internally and incorporating translucent roof lights.

The office and amenity are contained within a single storey projection to the front of the building with brick elevations and flat felted roof covering. They comprise a mix of private and open plan office areas with a kitchen and WCs.

Externally the secure site has an extensive area of concrete hard standing to the front, with additional yard and lorry parking bays to the eastern elevation.
